**Subject:** WIIN 2107 Regional Discussion Updates

Good Afternoon Region 3 Colleagues,

Thank you to all who filled out the Doodle poll that I sent a couple weeks ago.

I consulted with the rest of my team and I am sending along the final options for this discussion on WIIN 2107 lead sampling in schools and child care centers.

Reply with your preferred time slot and I will go ahead and get it scheduled on our calendars. Apologies for making you all send availability twice, but the poll did not include specific hour-long time windows when we filled out our availability.

Final times to choose from:

- Mon 6/28 2-3, 3-4/4:30
- Wed 6/30 10-11
- Tues 7/13 anytime between 11 and 4:30
- Wed 7/14 10-11, 1-2/2:30, 3-4

We are looking forward to discussing and learning more about what is happening in each state. We hope it is useful for all of you as lead sampling and remediation activities pick up across the region. Don't hesitate to reach out with concerns, questions, or to offer any specific items you would like to add to our future agenda.

Thank you,  
Ruby
